ASSIGNMENT

WHEREAS, we, Lee Cole, residing 1346 Killington Court, Evergreen, Colorado 80439, and Brett Mueller, residing at 25958 Genesee Trail Road, PMB 213, Golden, Colorado 80401, have invented a certain new and useful invention entitled "DYNAMIC LAYOUT SYSTEM AND PROCESSES" for which an application for Letters Patent of the United States has been prepared and filed on April 10, 2002, receiving Serial No. 10/063,319, and further identified as Attorney File No. 56578-308397;

NOW THEREFORE, for good and valuable consideration, receipt of which is acknowledged, we have individually and jointly agreed to assign and transfer and do hereby assign and transfer unto Quark, Inc. ("Company"), a corporation in the state of Colorado, having its principal office at 1800 Grant Street, Denver, Colorado 80203-1131, its successors and assigns, the entire right, title, and interest in and to said invention and application, and in and to any division or continuation (in whole or in part) of said application, and in and to any and all improvements in said invention made by us or any of us or made jointly with others (provided any such improvement is made during, or within one year after the termination of, the employment by said Company of whichever of us, solely or jointly with one or more others, has made the same), and in and to any and all Letters Patent, reexaminations, reissues, or extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent, Utility Models, or Inventors' Certificates in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted thereon or on any divisional, continuation (in whole or in part), renewal, reexamination, reissue, or other or further application based in whole or in part upon said invention or improvements thereon, to be held and enjoyed as fully and exclusively as they would have been by us or any of us had this assignment and transfer not been made;

We do further agree for ourselves and for our heirs, executors, and administrators, to execute and deliver without further consideration any further applications, assignments, and documents, and to perform such other acts as we lawfully may, that may be deemed necessary by said Company, its successors, assigns, and nominees, fully to secure its right, title, and interest as aforesaid and to obtain or maintain Letters Patent, Utility Models, or Inventors' Certificates in any and all countries;

And we do hereby authorize and request the Commissioner of Patents to issue any and all Letters Patent which may be granted upon any of said applications, to said Company, as the assignee of the entire right, title, and interest therein.

QUARK, INC.**EMPLOYMENT AGREEMENT**

This Agreement dated MARCH 27, 2006 is between Quark, Inc. whose address is 1800 Grant Street, Denver, Colorado, 80203, referred to as "Company" and GRETTIN VELLER whose address is 111 PAVES WAY, SILVERTHURNE, CO 80061 referred to as "Employee".

In consideration of Company's employment of Employee and of the salary, wages or other compensation paid for Employee's services in the course of such employment and other valuable consideration provided by Company to Employee, the Company and Employee agree as follows:

1. **Employment.** The Company hereby employs the Employee and the Employee accepts such employment. Employee's position and the duties associated therewith shall be determined by the Company and may be modified or changed by the Company in its sole discretion without notice.

Redacted

4. **Confidential Business Information.**

(i) All information of a business nature imparted to or learned by Employee in connection with Employee's employment with the Company including but not limited to its financial statements, marketing strategy, marketing data, customer lists, purchasing data, pricing data, profit data, computer software R & D, contractual agreements, software code, software data structures, product development information, unannounced products, and employee files shall be deemed confidential and trade secret and shall not be used by Employee except solely for the benefit of the Company and shall not be disclosed by Employee during the term of this Agreement and indefinitely thereafter without the Company's authorization. These restrictions shall pertain to all information determined by the Company to be confidential or trade secret information and to all information about the Company that is not generally known to the public.

Initials:

Employee: GAVQuark: MM

(ii) If Employee's employment with the Company is terminated, Employee shall promptly turn over to the Company all documents and other items in Employee's possession embodying any confidential or trade secret information.

(iii) All research material and data of any kind generated by Employee, either solely or in the collaboration with others, during the period of Employee's employment with the Company which (1) were done within the scope of Employee's employment; or (2) which relate to the present or anticipated business of the Company, or (3) which were done on Company time or with the facilities of the Company shall be the property of the Company. Upon termination of Employee's employment, Employee shall turn over to the Company all of said research material and data and not keep any copies whatsoever.

(iv) The Company's confidential or trade secret information constitutes valuable assets of the Company. Employee recognizes that its value will be destroyed by dissemination.

(v) Employee will neither use at the Company nor disclose to the Company any confidential or trade secret information acquired by Employee from former business associations. Employee will hold the Company harmless and pay the Company its damages, expenses and full attorneys' fees should any liability ever arise from a breach of this subparagraph.

5. Copyrights. The Company shall own all creative work including all expressions in any media, whether published or unpublished, conceived by Employee, either solely or in the collaboration with others, during the period of Employee's employment with the Company which (1) were done within the scope of Employee's employment; or (2) which relate to the present or anticipated business of the Company; or (3) which were done on Company time or with the facilities of the Company. Employee agrees to reasonably assist and cooperate with the Company at its request in acquiring, maintaining and enforcing the rights to such creation.

6. Inventions.

(i) Employee shall disclose in writing to such person as the Company may designate (if no such person is so designated, then to the President of the Company), promptly and fully all inventions, improvements or discoveries of whatever kind or description, and whether patentable or unpatentable, made, conceived, developed or first reduced to practice by Employee, either solely or in the collaboration with others, during the period of Employee's employment with the Company which (1) were done within the scope of Employee's employment; or (2) which relate to the present or anticipated business of the Company; or (3) which were done on Company time or with the facilities of the Company. All such disclosures shall be prompt and in all cases prior to any sale, offer for sale, public use, or public disclosure of such inventions, improvements, or discoveries.

(ii) The Company shall own all rights, title and interest in and to such inventions, improvements, and discoveries. Employee further agrees to reasonably assist and cooperate with the Company at its request in acquiring, maintaining and enforcing the Company's rights to such inventions, improvements, and discoveries.

(iii) Employee will keep and maintain on behalf of the Company, or assist in keeping and maintaining, such records as will show the conception, reduction to practice and operation of all of the aforesaid inventions, improvements or discoveries as well as such other records as the Company may request, which records shall be and remain the property of the Company.

(iv) Employee will refrain from revealing to any person, unless authorized by the Company, any information concerning the Company's inventions, improvements or discoveries that are not generally known to the public.

(v) Except as set forth in any attached addendum, there are at present no inventions, improvements or discoveries that have been made, conceived or first reduced to practice by Employee, either solely or in collaboration with others, which Employee desires to remove from the operation of this Agreement.

11. Binding Effect. This Agreement shall be binding on Employee's heirs, executors, administrators, assigns and legal representatives and shall inure to the benefit of the Company, its subsidiaries, affiliates, successors and assigns.
12. Governing Law, Jurisdiction and Venue. This Agreement shall be governed by the laws of the State of Colorado. The District Court in and for the City and County of Denver, State of Colorado shall have sole and exclusive jurisdiction and venue over any dispute which arises under this Agreement. Each of the parties submit and hereby consent to such Court's exercise of jurisdiction and venue.
13. Severability. All provisions contained in this Agreement are severable. In the event any one or more of the provisions herein is declared, for any reason to be invalid, illegal or unenforceable in any respect, such invalid, illegal or unenforceable provision shall not affect any other provisions of this Agreement, but this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.
14. Waiver of Breach. The waiver by the Company of a breach of any provision of this Agreement by the Employee shall not operate or be construed as a waiver of any subsequent breach by the Employee.

Rev: 6/2/92 B

15. Specific Performance and Injunctive Relief. Employee acknowledges that the breach of this Agreement by the Employee will cause irreparable injury to the Company. Employee agrees that the Company shall be entitled, in addition to other remedies and damages available, to specific performance and ex parte injunctive relief and without the necessity of posting or filing a bond or other security restraining violation of this Agreement by Employee, or Employee's partners, agents, servants, employers, employees and all persons acting for or with Employee.
16. Attorneys' Fees. In any action to enforce this Agreement or for damages relating to a breach of this Agreement, the prevailing party shall be entitled to recover its attorneys' fees, costs and expenses incurred in such action.
17. Entire Agreement and Modifications. This Agreement supersedes all prior employment agreements between the Employee and the Company. This Agreement, together with any addenda specifically entitled "Addendum to Employment Agreement" constitute the entire agreement between the Company and the Employee. Any modifications must be in writing signed by both parties and must be specifically entitled "Modification to Employment Agreement" or "Addendum to Employment Agreement."
18. Legal Consultation. Employee acknowledges that Employee was given an ample opportunity to consult with legal counsel prior to executing this Agreement.
19. Signatures.

In Witness Whereof, the undersigned have executed this Agreement.
